#### **CUPERTINO CREST AWARDS**

Four members of the St. Joseph of Cupertino community were recently honored with CREST (Cupertino Recognizes Extra Steps Taken) Awards from the City of Cupertino. MICHAEL and VIVIAN HURLEY and JACK and DONNA VAN **SCHAACK** received these awards in recognition of their service to others. For many years, the Hurley's organized our own annual distribution of Thanksgiving baskets to the poor. The Van Schaack's have been dedicated supporters of the Cupertino Library. Both couples continue to be actively involved in the life of our parish. We are so proud of these award recipients and we are grateful for all that they have done for our city and for St. Joseph of Cupertino!

Special Next weekend the second collection will be for Offering the CATHOLIC COMMUNICATION CAMPAIGN. Your contributions will help to spread the gospel through media including

radio, television, an the internet. A portion of the funds will go to support our diocesan newspaper, The Valley Catholic.

## MINISTERS TO THE SICK AND **HOMEBOUND NEEDED**

THE SICK We are currently in great need of more ministers to the sick and homebound of our own parish.

These persons generally visit parishioners in their own homes and share some brief conversation and prayer before giving them holy communion. The commitment could be as little as one visit per month. Training will be provided. Please contact Fr. Greg if you are interested.

TRADITIONAL LATIN MASS: Are you interested in attending regularly here at St. Joseph the extraordinary form of the Roman Rite (the traditional Latin mass)? If so, please call Nicole Faby at 408-255-7673.

# Stewardship at St. Joseph of Cupertino

In today's Gospel, Jesus says to His disciples, "Not everyone who says to me, 'Lord, Lord', will enter the kingdom of heaven, but only the ones who do the will of my Father in heaven." How are we doing the Father's will? How are we using our prayer, time, and talents in His

For more information on the many ways to practice stewardship at St. Joseph of Cupertino, please call L. T. Guttadauro, Stewardship Council, at 253-2449.

#### Stewardship in Action

Dear God and Father, You have given me a mission to help bring about your reign on earth as it is in Heaven through my life and the gifts You have given me. May I use the gifts of time, talent and treasure to follow Your plans and accomplish Your will. Help me go in peace to love and serve You!

## LIFELINE SCREENING

Stroke is the #1 cause of nursing home admissions and the third leading killer in the United States today.

Life Line Screening would like to help you prevent this lifethreatening disease from hurting your quality of life. On Friday June 20, St Joseph's of Cupertino Catholic Church will be hosting a day of preventative health screenings for the Cupertino community.

The 4 tests offered include an ultrasound screening of the carotid arteries in the neck (most strokes are linked to plaque build-up in these arteries) another ultrasound screening of the Abdominal Aortic Aneurysm (ruptured AAA's have an 85-94% mortality rate and usually present little or no symptoms), a third test which screens for plaque buildup in the arteries of the legs Peripheral Arterial Disease plaque buildup (a strong indicator of coronary artery disease) and a fourth test that screens for signs of osteoporosis.

"Why not just go to my doctor for these tests?" you may ask. The answer, although relatively surprising, is that your physician typically cannot order these tests without clear evidence of symptoms. Ironically, most people who suffer a stroke or aortic abdominal aneurysm never show any signs or symptoms that a major medical catastrophe is about to occur.

These non-invasive, completely painless vascular screenings take about 10 minutes each, you can get all four for just \$139.00! Save \$41. YOU MUST PRE-REGISTER. Appointments spaces are limited, so please sign up now by calling toll free to 1-800-324-1851. You will be sent a reminder post card and be given a courtesy reminder phone call one day prior to the screening, so please sign up in advance!

Every 45 seconds, someone will have a stroke, Every 3 minutes someone will die from one! Life Line Screening can help.

### NEW SCHOLARSHIP PROGRAM AVAILABLE FOR SAN JOSE DIOCESAN CATHOLIC SCHOOLS

The BASIC Fund (Bay Area Scholarships for Innercity Children) is expanding its services. It now

serves lower/middle income families in several areas. Recently these scholarship funds became available to Santa Clara County families who send their children to Catholic schools. You may qualify if your household size and annual income meet the following guidelines:

Household Size	Income Range
2	\$18,065 - 38,103
3	\$21,110 - 47,896
4	\$24,155 - 57,600
