#### **The Process for Action Planning**

Our Action Planning uses a process that brainstorms our Vision and then explores our strengths and weaknesses and their resulting benefits and dangers based on accomplishing our Vision.

Looking at our Vision, we build our commitment to accomplishing that Vision – what we are willing to promise/commit to, to help achieve the Vision, both personally and as a group. That commitment helps us reach consensus on the Vision as well as to the specific area we will do.

Once commitment is determined, we start to develop the action plan for what we will do, who will do it, when it will be done, how we measure our success, and any costs involved. That plan is developed and then communicated to the larger SJC community both to share it and to get more volunteers to implement it.

<b>Community Spirit, Inclusive Involvement, Vibrancy, More SJC Connections</b>	<b>Young People Participation, Youth Involvement</b>	<b>Macro Church, Bishop's Plan</b>	<b>Faith Formation, Catechesis</b>	<b>Spiritual Growth</b>	<b>Service</b>	<b>Finances</b>

### SWBD

We then talked about our Strengths & Weaknesses and the resulting Benefits & Dangers from them.

<b>Strengths:</b> Diversity Longevity Supportive Clergy Common Belief Great Priests Talent Welcoming Substantial Involvement	<b>Weaknesses:</b> Ubiquitous Involvement "Hierarchical" Not Enough People Lack of Engaging Clergy Leadership Lack of Community Lack of Personal Initiative Losing Youth Involvement Complacency

<p>Generosity Good Finances Desire</p>	<p>Poor Communication Lack of "Tradition" "Culture" Lack of Time Church Life is Not Part of Our Life Clergy Do Not Have Time to Spend with People</p>
<p><b>Benefits (when we achieve our vision):</b> A Place Where Youth Feel They Belong Help Us Work as a Team Make SJC More Attractive to Others Improve Communications Strengthen Catholic Culture Growth in Faith Mass is Standing Room Only Reach Out to Others – Poor, Needy Relieve Burden on Priests</p>	<p><b>Dangers (because we have achieved our vision):</b> Grow Too Fast – Faster than we can Catechize Leadership Change Does Not Buy In Too Complacent – Too Much Social &amp; Not Enough Faith Could Lose People Balance Fun with Compassion Burn Out People Who Need Support Don't Get It Create Expectations That Can't Be Met</p>

### **Our Group Commitment Statement:**

***The SJC Envisioneering effort commits to:***

- ***Envisioneering Page on SJC Website***
- ***Consistent attendance at meetings by this group***
- ***Grow participation in this effort***
- ***Be involved to fund our plan***
- ***Share our time and talent***
- ***Ask to involve Clergy***
- ***Schedule timeline***
- ***Complete assigned tasks on time***

### **A note about commitment to this effort:**

- \* Personal and group commitment does not necessarily mean adding any more precious (and very stretched) time.
- \* Parish involvement actions can be folded in with current ministries (eg., social justice, young adults, youth).
- \* Commitment can be as small as resolving to talk to a parishioner not previously known to you.
- \* Your desired actions to accomplish the vision/dream for SJC can only be heard if you attend the next mtg.
- \* Personal and group commitment pledges are key to success.

### **Our next meeting will develop the action plan to accomplish our vision.**

**Be there to support this effort and have your voice heard – Tuesday, August 24, 7 – 9 PM in the SJC Community Center!**
